Brand directory

SIXTEEN INTERNATIONAL BRANDS HELD AND SUPPORTED IN DUBAI

AMC Oceanflex

Marine-grade tinned copper cable, Arctic-T low temperature, Corronex LR, terminals, heat shrink and full electrical accessories. Manufactured in the United Kingdom.

Chapter 01 • pages 4–84

MTA

Blade, bolt-down and strip fusing, fuse holders, power distribution units, relay boxes, busbars and battery terminals. Made in Italy.

Chapter 02 • pages 86–153

PIP Peters Indu-Produkt

Over-moulded marine cable assemblies — Superseal, Deutsch DT, Junior Power Timer, Metri-Pack and DIN 9680 distributors. Made in Germany.

Chapter 02 • pages 154–158

Ratio Electric

Shore power inlets, cordsets, converters and the AC16 shore power system. Made in the Netherlands.

Chapter 03 • pages 160–169

TBS Electronics

Powersine inverters, Powersine Combi inverter/chargers, Omnicharge chargers and Expert battery monitors. Made in the Netherlands.

Chapter 03 • pages 170–207

Super B

LiFePO4 lithium batteries — Epsilon, Nomia and Nomada ranges for house banks and engine starting. Made in the Netherlands.

Chapter 03 • pages 208–209

Maretron

NMEA 2000 instrumentation, tank and engine monitoring, DSM displays, N2KView software and MPower digital switching. Made in the USA.

Chapter 04 • pages 211–289

Simarine

PICO battery monitors, Nereide 2 and VIA touchscreen systems, shunts and sensor modules. Made in Slovenia.

Chapter 04 • pages 250–271

Gobius

Externally mounted tank level sensors requiring no tank penetration. Made in Sweden.

Chapter 04 • pages 272–274

Forespar Marelon

Pro Series composite seacocks, thru-hulls, valves, vented loops and strainers — corrosion-free polymer throughout. Made in the USA.

Chapter 05 • pages 291–320

Sati

SATIHOSE Marine industrial hoses — fuel, wet exhaust, sanitation, sea-water, hot-water, potable, ducting and cable-protection lines with RINA and Lloyd's approvals — and the SATIBLOCK clamp range. Made in Italy.

Chapter 05 • pages 355–383

Pentair SHURflo

Aqua King II fresh water systems, washdown, livewell, bilge, ballast and macerator pumps with full service parts. Made in the USA.

Chapter 05 • pages 321–354

Sherwood

Engine raw water pumps by engine manufacturer, impellers, major and minor repair kits and sea strainers. Made in the USA.

Chapter 06 • pages 385–456

Forespar

Whisker and spinnaker poles, pole ends and track, Yacht Rod vangs, davits, Leisure Furl and boat care chemicals. Made in the USA.

Chapter 07 • pages 458–491

Roswell Marine

Wakeboard towers, T-tops, racks, R1 marine audio, subwoofers and amplifiers. Made in the USA.

Chapter 07 • pages 492–523

NPT

Advanced SiMP adhesive and sealant technology — SiMP Seal, U-Seal and U-Bond ranges with marine certification. Made in Italy.

Chapter 08 • pages 525–534

Armus

Hull Pro ceramicized epoxy clear performance coating for below the waterline. Made in the USA.

Chapter 08 • pages 535–536

How to order

ORDER DESK, STOCK, LEAD TIMES AND TERMS OF SUPPLY

Placing an order

Quote the part number exactly as printed in this catalogue, together with the quantity and the vessel or project reference. The part number index beginning on the preceding pages lists every item in the book alphanumerically.

- **Telephone** — 800BOATS or 800YACHTS, +971 50 500 6969
 - **Email** — info@custommarine.ae
 - **Showroom** – Ground Floor, MBC-1 Building, Dubai Maritime City, Sheikh Rashid Rd, Dubai, UAE
- Our counter team can cross-reference by engine model, vessel type or a competitor part number where you do not have ours.

Stock and lead times

Fast-moving lines across all sixteen brands are held in Dubai for same-week supply. Specialist and made-to-order items — bespoke cable lengths, configured Marelon valves, engine-specific pump assemblies and built-to-order distributors — are quoted with a confirmed lead time at the point of order.

Where a range is built to order, the catalogue says so on the page.

What we can specify for you

- Cable and fuse sizing to circuit length, load and voltage drop
- Battery bank sizing, lithium conversion and charge system matching
- NMEA 2000 network layout, LEN budget, drop lengths and termination
- Digital switching schedules and panel build to a wiring drawing
- Seacock and thru-hull schedules by hull material and fitting position
- Fresh water, washdown, bilge and livewell system flow and pump selection
- Raw water pump and impeller identification from engine make and model
- Adhesive and sealant selection by substrate pair and joint movement

Where to find it

If you are looking for	Go to chapter	If you are looking for	Go to chapter
Tinned copper cable by size or colour	01 — Electrical cables	Seacocks, thru-hulls and ball valves	05 — Pumps & plumbing
Heat shrink terminals and splices	01 — Electrical cables	Fresh water, bilge or washdown pumps	05 — Pumps & plumbing
Blade fuses and fuse holders	02 — Power distribution	Raw water pumps by engine make	06 — Engine cooling
Power distribution and relay boxes	02 — Power distribution	Impellers and pump repair kits	06 — Engine cooling
Battery terminals and clamps	02 — Power distribution	Whisker poles, davits and deck gear	07 — Deck equipment
Shore power inlets and cordsets	03 — Power & batteries	Wake towers, racks and T-tops	07 — Deck equipment
Inverters, chargers and combis	03 — Power & batteries	Marine audio and amplifiers	07 — Deck equipment
Lithium batteries and monitors	03 — Power & batteries	Adhesives and sealants	08 — Boat care
NMEA 2000 sensors and displays	04 — Monitoring	Hull coatings and antifouling prep	08 — Boat care
Digital switching and tank sensors	04 — Monitoring	Lubricants, deodorisers and cleaners	08 — Boat care

Technical support

Custom Marine specifies as well as supplies. We support boat builders, refit yards, MRO teams and owners across the Gulf with system selection, cable and fuse sizing, NMEA 2000 network planning, pump and impeller cross-referencing, and adhesive and coating selection for the substrate in hand.

Bring us the problem rather than the part number if you are not certain which item you need.

Terms of supply

All specifications, dimensions, ratings and certifications reproduced in this catalogue are those published by the manufacturer at the time of going to press, and may be changed by the manufacturer without notice. Custom Marine LLC accepts no liability for typographical error.

Illustrations are representative; where a range shares a common body, the photograph may show a neighbouring variant. Confirm the part number, not the picture.

Goods are supplied subject to Custom Marine LLC standard terms and conditions of sale, available on request. Prices are not published in this catalogue and are quoted on application.

This edition runs to 562 pages and supersedes all previous Custom Marine catalogues.

Standards referenced in this catalogue

Products in this book are certified or manufactured to the following, as stated on each product page: ISO 6722-1, ISO 13297, ISO 10133, ISO 9093-2, IEC 60092-353, IEC 60332, ABYC standards, USCG and CE marine approvals, Lloyd's Register type approval, RINA and Bureau Veritas, DNV, NMEA 2000 certification, IEC 60945, SAE J1171 and J1625 ignition protection, and IP66 / IP67 / IP68 ingress protection.

Where a certification applies to part of a range only, the product table says which parts carry it. Certificates are available from the order desk on request for any line in this catalogue.

CUSTOM MARINE / DUBAI, UAE

The right equipment. The people behind it.

International marine brands, specified and supported by people who work on boats. From tinned copper cable to lithium house banks, composite seacocks to raw water pumps, wake towers to hull coatings.
