

MARINE SPECIALISTS / DUBAI, UAE

Made for life on the water.

COMPANY PROFILE

THE POWER OF QUALITY

Marine expertise. Exceptional equipment.

Personal service, from Dubai to the water.

INTRODUCTION

A passion for the sea. A commitment to detail.

Welcome to Custom Marine, where maritime excellence meets unparalleled service. Established with a passion for the sea, we specialize in comprehensive marine maintenance, bespoke boat and yacht fit-outs, and serve as proud distributors for renowned marine brands.

Our commitment to excellence

At Custom Marine, we believe in setting the highest standards for marine craftsmanship and service delivery. With a team of dedicated professionals boasting years of experience in the maritime industry, we are committed to ensuring the seaworthiness, functionality, and aesthetic appeal of every vessel that comes under our care.

Comprehensive marine maintenance

Our marine maintenance services encompass a wide spectrum, ranging from routine inspections and repairs to complex overhauls. We understand the critical role that maintenance plays in ensuring the safety and performance of your vessel. Our skilled technicians employ state-of-the-art tools and techniques to address every aspect of marine engineering, keeping your boat or yacht in optimal condition.

Bespoke boat and yacht fit-outs

Transforming dreams into reality, Custom Marine excels in creating custom boat and yacht interiors that reflect your unique style and preferences. Whether you seek luxurious comfort, cutting-edge technology, or innovative design, our team collaborates closely with you to bring your vision to life. From concept to completion, we strive to exceed expectations, delivering tailor-made solutions that enhance both form and function.

Trusted distributor for premier marine brands

As authorized distributors for leading marine brands, Custom Marine brings you access to a curated selection of top-quality products. From navigation equipment to marine accessories, we are committed to providing our clients with the best-in-class solutions that meet the highest industry standards. Our partnerships with renowned brands reflect our dedication to delivering excellence in every aspect of the marine experience.

WHY CHOOSE CUSTOM MARINE

The right people. The right approach.

01 Expertise

Our team comprises seasoned professionals with in-depth knowledge of marine engineering and design.

02 Quality assurance

We prioritize the use of premium materials and adhere to rigorous quality standards in every project.

03 Customer-centric approach

Your satisfaction is our priority, and we work collaboratively with you to understand and meet your specific needs.

04 Innovation

We stay abreast of the latest trends and technologies in the marine industry, ensuring that your vessel benefits from cutting-edge solutions.

Embark on a journey of maritime excellence with Custom Marine. Trust us for unparalleled marine maintenance, bespoke fit-outs, and access to the finest marine products. Your satisfaction and the seaworthiness of your vessel are our utmost priorities.

BUSINESS OVERVIEW

Built on trust. Driven by care.

Our vision

- Implement an Integrated Management System conforming to the best industry standards.
- Embrace new technologies to improve vessel reliability.
- Work as one team with our stakeholders, clients, and the maritime industry to improve local and regional markets.
- Exercise due diligence to achieve zero incidents and zero environmental pollution.
- Ensure client satisfaction by providing integrated, value-added marine solutions.
- Ensure continual improvement of the organization's overall performance.

Our values

- Be honest and trustworthy.
- Be professional and accountable.
- Have integrity and be fair to others.
- Understand and respect human values.
- Follow the best and ethical standards of business practice.
- Deliver service excellence to customers.
- Maintain high safety standards on board.
- Respect local tradition and knowledge.

OUR MISSION

Progress. On every horizon.

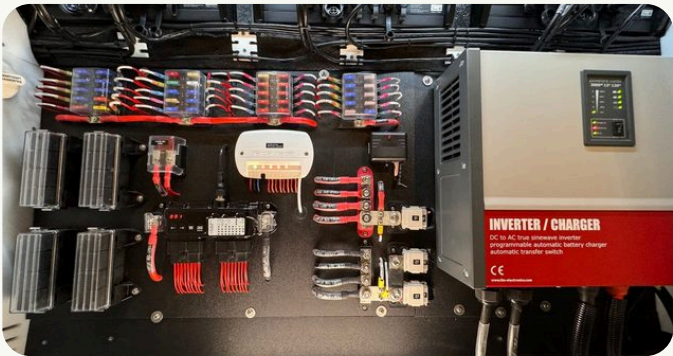

To become a leading
local and regional
provider of marine
technologies, safety,
and efficient services
and supplies.
